

Branch Closure Impact Assessment

Bankwest, a division of Commonwealth Bank of Australia
ABN 48 123 123 124 AFSL/Australian credit licence 234945

Bankwest Bunbury Forum Branch is permanently closing on 17 September 2024.

Bankwest will transition to a digital bank in 2024, enabling us to accelerate investment in delivering simple and easy digital banking and broker services to meet the needs of more customers across Australia.

With more of Bankwest customer transactions now occurring in digital channels, like the Bankwest App and Bankwest Online Banking, we've seen a continual decline in branch transactions. After careful consideration, we will permanently close the Bunbury Forum Branch and its ATM at Shop 10/11, Bunbury Forum Shopping Centre, 69 Sandridge Road on Tuesday 17 September 2024, at 12pm.

We know that change isn't always easy, but it's important we invest in areas where our customers are choosing to do their banking. We will continue to work hard to deliver simple, easy experiences for our customers through digital services and alternative face to face options, such as Bank@Post.¹

Why we made the decision to close Bankwest Bunbury Forum Branch.

Bankwest recently announced the decision to become a digital bank. This decision is influenced by rapidly changing customer preferences. Customers are increasingly preferring digital options that enable them to do their banking in a time they choose, which has generally led to significantly fewer visits and transactions in the majority of our branches.

The transition of Business Banking customers from Bankwest to CommBank has contributed to the reduction in demand for the branch network.

 Over 650,358 Bankwest App and online banking logins per day.²

 Up to 96% of cash withdrawals and deposits can be done at Bank@Post.³

 A daily average of 72 over the counter transactions a day at this branch.⁴

 A year on year reduction in over the counter transactions of 28.9% at this branch.⁵

How we are communicating and engaging with customers and the community about the change.

We will send notification about this decision to our customers who have regularly used this branch, by email and/or post at least 12 weeks prior to the permanent closure. The letter and email will include information and resources on how to use alternative banking options. Signage will also be on display at the branches outlining the closure details and providing detail on alternative ways to bank. We have also contacted the relevant government and community stakeholders for your area to advise them of our decision and on the steps we are taking to support customers moving forwards. We will work with all stakeholders to respond to any concerns they may have.

How to make a complaint

If there's something we can improve, or you're not satisfied with our products, services, staff or complaint handling process, it's important we hear about it so we can make things right. We will take your complaint seriously, work with you to address your complaint and try to find a solution that's fair and reasonable.
